***How to Work with Angels***

By Elizabeth Clare Prophet and Patricia R. Spadaro

*How to Work with Angels* gives you a ten-step plan to help you and your children make friends with angels so they can assist you in practical and personal ways--protecting, inspiring, healing and comforting. Each type of angel brings special qualities into your life. The more you work with angels, the more effectively they can help you!

#### **Overview of the lesson**

- Archangel Jophiel is always there for you if you make the calls to him.
- He helps people learn more easily.
- He helps people open their minds to new ideas.
- Jophiel exposes wrong-doing in governments and big corporations.
- You can pray to him every day.

*Archangel Jophiel is your friend of light. He is there for you when you need him. Remember to call to him!*

*Jophiel's name means "beauty of God." He is the leader of the golden yellow angels of illumination and the mind of God. His spiritual home or retreat is near Lanchow, north central China.*

*Sometimes you get a new idea, and it is like a light bulb goes off in your head. Many of these ideas come from Archangel Jophiel and his angels.*

*Great ideas come to us from God's angels*

### **Activity 1: New ideas**

*Say a prayer to Archangel Jophiel then draw a picture of whatever new idea comes to your mind.*

*Archangel Jophiel can help you learn many new things. He and his angels will help you learn to use more of your brain!*

### **What can I ask him for?**

- **Helping you learn new information** - Archangel Jophiel helps you learn new information.
- **Studying for and passing tests** – Always pray to Archangel Jophiel as you get ready for a test. He can help you study and remember what you need to know!
- **Helping you to connect to your higher self** – Archangel Jophiel wants to help you connect more closely with your Higher Self.
- **Help us overcome bad habits** – Sometimes children do things that are not good for them, like having tantrums, telling a lie or blaming other children for things that go wrong. Archangel Jophiel helps you be free from doing the things you know you should not do.
- **World service** – Archangel Jophiel helps people see when leaders in the governments, in big companies or other places are doing the wrong things. Jophiel and his angels have ideas for cleaning up our planet and overcoming pollution.

### **How do I ask him to help?**

- **Fiat** – You can ask Archangel Jophiel to quickly help you anytime with a short prayer, **Angels bright from heaven’s height, charge my being and mind with light!**
- **Prayer** – You can learn this prayer “O Flame of Light, Bright and Gold” by heart:  
**O flame of light, bright and gold,  
O flame most wondrous to behold,  
I AM in every brain cell shining,  
I AM God’s wisdom all divining,  
Ceaseless fount of Illumination flaming,  
I AM, I AM, I AM Illumination!**
- **Visualization** – Each time you give the prayer, “O Flame of Light, Bright and Gold,” you can see your head surrounded with God’s golden yellow light.
- Imagine Archangel Jophiel’s angels flooding your body and all around you in all directions with this lovely light. As you breathe this light in, you are breathing in new ideas. Anything that makes you feel discouraged is dissolved by this beautiful golden light.

- **Daily prayers** - The best way to make sure Archangel Jophiel will always be there for you is to pray to him EVERY DAY.

### **Activity 2: Prayers for your family**

Every day for nine days, say a prayer before you go to bed to Archangel Jophiel. Ask him to send ideas to each member of your family about how to live more happily. After you say the prayer, put a gold star on the calendar for the day.
