(Based on pages 68 to 77)

Angels of Healing

For Children ages 3 - 6

Parent/Teacher Preparation: This lesson is taken from *Angels of Healing*. Set a pace that is comfortable for you and your child, allowing plenty of time to ponder.

Review the chapter before you begin.

Review the lesson, including the activities. Please note that the text of what you can say to your child is in *italics*.

Gather the following materials you will need:

- CD and music (optional)

Set Your Environment:

Pick a time when both you and your child are rested and happy.

Suggested Music:

Try selecting classical music that is calming for both you and for your child. The “Messiah” by G. F. Handel is wonderful meditation for the Archangel Raphael and Mother Mary. Piano music is especially associated with the green ray of Raphael and Mary.

Overview of the lesson

- Archangel Raphael is always there for you if you make the calls to him.
- Archangel Raphael and Mother Mary, Queen of the Angels, work with the healing angels to heal you and your loved ones.
- Raphael helps us study music, mathematics and science.
- You can pray to him every day.

Archangel Raphael is your friend of light. He is there for you when you need him. Remember to call to him!

Raphael's name means "God has healed." He is the leader of the green angels of God's healing. He works with Mother Mary, often called the Queen of the Angels.

Archangel Raphael's jobs

Archangel Raphael is known as the angel of science, knowledge and healing. Old Jewish stories tell of Raphael teaching Noah about the healing power of plants and herbs.

Raphael's job is healing the sicknesses and wounds of people. He works with Mother Mary and the healing angels to heal us when we are sick.

Sometimes people learn lessons from being sick, and the angels cannot heal them right away. But we can keep asking them to help, and our prayers will be answered. Even if someone we pray for is not healed, God answers our prayers in some way that is a blessing for the person.

Activity 1: Healing herbs

Learn about at least two herbs commonly used for healing. Help your mom make some herbal tea and share a cup with a friend or family member.

What can I ask him for?

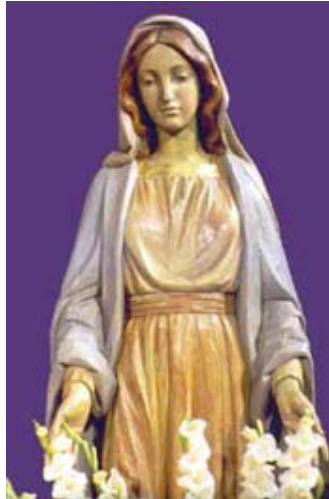

- **To give you spiritual vision and truth**
- **To heal your body, your mind and your spirit**
- **To help you with your studies, especially in music, mathematics and science**
- **To make sure you have enough food, clothing, shelter and what you need for your work**
- **World service** – Archangel Raphael helps to heal disagreements between countries, helps wounded soldiers and helps scientists find new cures for diseases.

How do I ask him to help?

- **Prayer** – You can ask for Archangel Raphael's immediate help anytime with a short powerful prayer, **"I AM the resurrection and the life of my perfect health, now made manifest!"**
- **Prayer** – You can learn "The Hail Mary," a special prayer to Mary, the Mother of Jesus. Give it three times as you pray for whatever spiritual or physical gifts you need:

**Hail Mary, full of grace.
The Lord is with thee.
Blessed art thou among women
And blessed is the fruit of thy womb, Jesus.
Holy Mary, Mother of God,**

***Pray for us, sons and daughters of God,
Now and at the hour of our victory
Over sin, disease and death.***

- **Visualization** – *When you give this prayer, the Hail Mary, millions of angels answer you! You can visualize a powerful violet fire around your heart or whatever part of the body or mind or spirit that needs healing.*

- **Daily prayers** - *The best way to make sure Archangel Raphael and Mother Mary will always be there for you is to pray to them EVERY DAY.*
