Based on

How to Work with Angels

By Elizabeth Clare Prophet and Patricia R. Spadaro

How to Work with Angels gives you a ten-step plan to help you and your children make friends with angels so they can assist you in practical and personal ways--protecting, inspiring, healing and comforting. Each type of angel brings special qualities into your life. The more you work with angels, the more effectively they can help you!

**Lesson Seven – Meeting the Angels
(Based on pages 87 to 91)**

***Angels of Joy*
For Children ages 3 - 6**

Parent/Teacher Preparation: This lesson is taken from *Angels of Joy*. Set a pace that is comfortable for you and your child, allowing plenty of time to ponder.

Review the chapter before you begin.

Review the lesson, including the activities. Please note that the text of what you can say to your child is in *italics*.

Gather the following materials you will need:

- CD and music (optional)

Set Your Environment:

Pick a time when both you and your child are rested and happy.

Suggested Music:

Try selecting classical music that is calming for both you and for your child. Woodwind music is associated with Archangel Zadkiel, as are the Strauss waltzes.

Overview of the lesson

- Archangel Zadkiel is always there for you if you pray to him.
- Archangel Zadkiel will bring you happiness and joy.
- Archangel Zadkiel teaches us to use the violet flame* for forgiveness, for mercy and for change.
- You can pray to him every day.
- The more violet flame prayers you give, the more of the light of the angels you can receive.

* Violet is the highest vibration of light in the electromagnetic spectrum and when invoked spiritually as a sacred flame from God's heart, the violet flame acts as a kind of cosmic eraser. The violet flame changes negativity into light, actually transmuting it into light.

Archangel Zadkiel is your friend of light. He is there for you when you need him. Remember to pray to him!

Zadkiel's name means "Righteousness of God." Righteous means "right use." He is the leader of the violet angels of God's joy and freedom.

Freeing God's energy

God's energy is meant to flow through you like a waterfall of light. When the light is flowing through you, you feel joyous and happy. But sometimes, we get stuck in feeling sad or mad or afraid. If that happens, you can ask Archangel Zadkiel to send his violet flame angels to take those feelings away.

*The violet flame and the angels of joy can help you do more than you thought you could do. **With God, all things are possible!** You can be free to follow and fulfill all of your dreams.*

What can I ask him for?

- ***For the gifts of spiritual freedom, joy and happiness***
- ***To dissolve memories that make you sad, mad or afraid***
- ***To help you forgive more***
- ***To help you be kind and considerate***
- ***To inspire you if you want to become a scientist, engineer, architect, actor or a performer***
- ***World service*** – Archangel Zadkiel dissolves old memories of hurt between nations and inspires leaders to create fair laws to help people.

How do I ask him to help?

- ***Prayer*** – You can ask for Archangel Zadkiel's immediate help anytime with a short powerful prayer, ***"I AM the living flame of cosmic freedom!"***

- **Mantra** – You can say **“I AM a being of violet fire, I AM the purity God desires”** and give it every time anything makes you lose your joy and sense of freedom in God.
- **Visualization** – When you give this prayer, see Zadkiel and his angels of joy directing the violet flame through you.

Violet transmuting flame

You can imagine the violet flame like a great cosmic eraser. It erases, or transmutes, all that is not joy and light and love.

- **Daily prayers** - The best way to make sure Archangel Zadkiel will always be there for you is to pray to him **EVERY DAY**.

Activity 1: Learn to waltz

Put on some Strauss waltzes, get in tune with the rhythms of the violet flame and teach your child to waltz.

Activity 2: Archangel Zadkiel coloring sheet

(Go to the coloring sheets on angels in [Children's Place](#))

Activity 3: Archangels booklet

Over a period of several days, invite your child to draw a picture of each of the archangels doing some kind of service. Make sure they use the color to match the color of the archangel.

After they are finished, make a booklet of the archangels by stapling the pictures together and review how each archangel can help you.
