Archangel Jophiel is your friend of light. He is there for you when you need him, if you will remember to call to him.

Jophiel's name means "beauty of God." He is the leader of the golden yellow angels of illumination and the mind of God. His spiritual home or retreat is near Lanchow, north central China.

Activity 1: Map

Find Lanchow, China on your world map and place a yellow marker.

Great Wall of China

Sometimes you get a great new idea, and it is like a light bulb goes off in your head. Many of these ideas come from Archangel Jophiel and his angels of illumination, who help put your mind in touch with God's mind.

Great ideas come to us from God's angels

Archangel Jophiel can help you learn new things at school, to help you prepare reports and pass your tests. They will help you learn to use more of your brain!

True story of Verlene and her test

Verlene never liked taking tests. She always seemed to forget what she had studied. When she grew up she had to take a test for her work. She did very well in her classes and her teacher told her, "You'll ace this exam!"

But Verlene did not think so... she remembered how hard tests always were in school when she was growing up. The day of the big test for her job, she sat down and her mind went blank. She said a silent prayer to the angels to help her. Suddenly her mind was filled with the answers and she wrote and wrote. She passed the test!

Activity 2: Passing a test

Draw or paint a picture of you in your schoolroom, taking a test with golden angels of illumination hovering over you and around you OR act out a scene of an illumination angel coming to help a child on a school test or other assignment. You can dress up in an angel costume for the scene.

What can I ask him for?

- **Help learning new information** - Archangel Jophiel helps you learn and absorb new information. He and his angels dissolve ignorance and give you knowledge, inspiration and clear seeing.
- **Studying for and passing tests** – Always pray to Archangel Jophiel as you prepare for tests. He can help you study and remember what you need to know!

- **Helping you connect to your higher self** – Archangel Jophiel wants to help you connect more closely with your Higher Self and to help you see yourself one with God.
- **Help us overcome bad habits** – Sometimes people of any age get into bad habits. Maybe they eat too many things that are not good for them, or get into the habit of telling little white lies. Archangel Jophiel will help us get free of these bad habits if we ask for help.
- **World service** – Archangel Jophiel helps to expose wrong-doing by world leaders and in large corporations and assists us in cleaning up our planet and overcoming pollution.

How do I ask him to help?

- **Fiat** – You can ask for Archangel Jophiel's immediate help anytime with a short powerful call, **Angels bright from heaven's height, charge my being and mind with light!**
- **Prayer** – You can learn this prayer "O Flame of Light, Bright and Gold" by heart:

**O flame of light, bright and gold,
O flame most wondrous to behold,
I AM in every brain cell shining,
I AM God's wisdom all divining,
Ceaseless fount of Illumination
flaming,
I AM, I AM, I AM Illumination!**

- **Visualization** – Each time you give the prayer, "O Flame of Light, Bright and Gold," you can see your head surrounded with God's golden yellow light.

- Imagine Archangel Jophiel's angels flooding your body and an area three feet out in all directions with this lovely light. As you breathe this light in, feel yourself also drawing into yourself creative ideas and inspiration. Any discouraging thoughts and feelings are dissolved by this golden light.

- **Daily calls** - *The best way to make sure Archangel Jophiel will always be there for you is call to him EVERY DAY.*
