By Elizabeth Clare Prophet and Patricia R. Spadaro

*How to Work with Angels* gives you a ten-step plan to help you and your children make friends with angels so they can assist you in practical and personal ways--protecting, inspiring, healing and comforting. Each type of angel brings special qualities into your life. The more you work with angels, the more effectively they can help you!

***Angels of Love***

**For Children ages 6 - 10**

**Parent/Teacher Preparation:** This lesson is taken from *Angels of Love*. Set a pace that is comfortable for you and your child, allowing plenty of time to ponder.

Review the chapter before you begin.

Review the lesson, including the activities. Please note that the text of what you can say to your child is in *italics*.

Gather the following materials you will need:

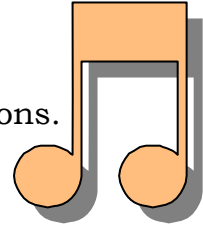

- CD and music (optional)
- Pink colored paper and scissors

**Set Your Environment:**

Pick a time when both you and your child are rested and happy.

### **Suggested Music:**

#### **Overview of the lesson**

- Archangel Chamuel is always there for you if you make the calls to him.
- He will help you learn to be more loving and kind.
- Archangel Chamuel says: *“We will do anything you ask as long as it is lawful for us to do in the sight of God.”*
- You can pray to him every day.

*Archangel Chamuel is your friend of light. He is there for you when you need him, if you will remember to call to him.*

*Chamuel’s name means “He who sees God.” He is the leader of the pink angels of God’s love. His spiritual home or retreat is over St. Louis, Missouri.*

*St. Louis Arch, Missouri, USA*

### **Activity 1: Map**

*Find St. Louis, Missouri on your world map and place a pink marker.*

### **Angels of love**

*God's angels of love can be very gentle, when they come to comfort you if you are sick or afraid. They can also be very fierce, when they come to conquer forces that make us feel sad, angry or afraid.*

*The angels of love like to come and help us figure out little daily problems and to make our lives run more smoothly. They especially like to come and help people learn to get along better. They will help us in our families, in our schools or with our friends. They will help entire countries! The angels of love especially help people learn to listen to each other better.*

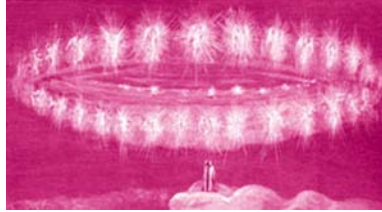

*If you get into a disagreement with someone at school or in your family, call to Archangel Chamuel and the angels of love to help you solve the problems!*

### **What can I ask him for?**

- ***Protection from misunderstandings***
- ***Help to make new friends and get along with old friends***
- ***Help to repair friendships that have been damaged***
- ***Help to find objects you have lost*** – you can make the simple prayer: “Angels, please help me find \_\_\_\_\_.” Suddenly you will get an idea of where to look.

- **Help you feel more love, kindness and mercy**
- **Help to dissolve feelings of dislike or condemnation of someone else or yourself**
- **World service** – Archangel Chamuel helps to heal problems between nations and racial groups.

### **How do I ask him to help?**

- **Fiat** – You can ask for Archangel Chamuel’s immediate help anytime with a short powerful prayer, **In the name of God, I AM THAT I AM, In the name of Archangel Chamuel: Be gone forces of anti-love!**
- **Prayer** – You can learn this prayer “As a Rose Unfolding Fair” by heart:

**As a rose unfolding fair  
Wafts her fragrance on the air,  
I pour forth to God devotion,  
One now with the Cosmic Ocean.**

- **Visualization** – Each time you give the prayer “As a Rose Unfolding Fair,” place your hands over your heart and see yourself radiating God’s love. These prayers will help keep you tied to the love of Archangel Chamuel and his angels of love.
- **Daily calls** - The best way to make sure Archangel Chamuel will always be there for you is call to him EVERY DAY.
