Overview of the lesson

- Archangel Zadkiel is always there for you if you make the calls to him.
- Archangel Zadkiel will bring you happiness and joy.
- Archangel Zadkiel teaches us to use the violet flame for forgiveness, for mercy and for change.
- You can pray to him every day.
- The more violet flame prayers you give, the more of the light of the angels you can receive.

Archangel Zadkiel is your friend of light. He is there for you when you need him. Remember to call to him!

Zadkiel's name means "Righteousness of God." Righteous means "right use." He is the leader of the violet angels of God's joy and freedom.

His spiritual home or retreat is in Cuba. Cuba is a large island off the southern tip of the United States.

Activity 1: Map

Find Cuba on your world map and place a violet marker on it.

Freeing God's energy

God's energy is meant to flow through us like a waterfall of light.

Sometimes we have memories that make us feel badly about people around us or about ourselves. We may have never forgiven people or ourselves and sometimes these memories affect the way we act or feel even if we are not thinking about them. But we can change that by asking Archangel Zadkiel to send his violet joy flame! This violet flame is the highest vibration of light in the world and if you use it every day, it can change your world by dissolving old memories and records.

Activity 2: Dissolving old records

Take a clear bowl and put some marbles in the bottom. Put the bowl in a larger bowl or on a deep tray. Pour a coating of sticky molasses over it. *Old memories that have never been forgiven are a lot like this.*

Mix blue and red food coloring in hot water to create a violet liquid. Pour the hot water over the molasses-coated marbles. *When we visualize the*

violet flame and invoke it from God's heart, it dissolves the dark old memories just like this violet water dissolves the molasses.

*The violet flame and the angels of joy can help you go beyond what you may think are your limits. **With God, all things are possible!** You can be free to follow and fulfill all of your dreams.*

The more violet flame you give, the more the angels from all the archangel bands can come to help you.

What can I ask him for?

- **For the gifts of spiritual freedom, joy and happiness**
- **To dissolve painful memories**
- **To help you forgive more**
- **To inspire you in being tolerant and diplomatic**
- **To inspire you if you want to become a scientist, engineer, architect, actor or a performer**
- **World service** – Archangel Zadkiel dissolves old memories of hurt between nations and inspires leaders to create fair laws and policies to help the people.

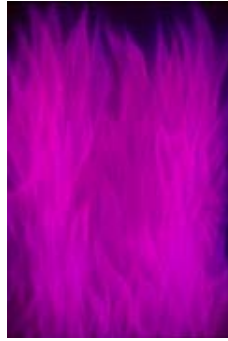

How do I ask him to help?

- **Fiat** – You can ask for Archangel Zadkiel's immediate help anytime with a short powerful call, **"I AM the living flame of cosmic freedom!"**
- **Decree** – You can learn **"I AM the Violet Flame in Action in Me Now"** and give it every time anything makes you lose your joy and sense of freedom in God.

***I AM the violet flame
In action in me now***

***I AM the violet flame
To light alone I bow
I AM the violet flame
In mighty cosmic power
I AM the light of God
Shining every hour
I AM the violet flame
Blazing like a sun
I AM God's sacred power
Freeing every one***

- **Visualization** – *When you give this prayer, see Zadkiel and his angels of joy directing the powerful violet flame into every cell and atom of your entire being.*

Violet transmuting flame

You can imagine the violet flame like a great cosmic eraser, erasing, or transmuting all that is not joy and light and love.

- **Daily calls** - *The best way to make sure Archangel Zadkiel will always be there for you is call to him EVERY DAY.*

Activity 3: Chart of the seven archangels

Now that you have met all of the archangels, included in this lesson is a chart you can print, cut out and mount somewhere in your house. It is a handy way to help you remember who each angel is, where his spiritual home is and what to call to him for.

Activity 4: Sending your prayers to the right angels

Cut out the questions and lay out seven colored bags in a row, from the first to the seventh ray: blue, yellow, pink, white, green, purple/gold and violet. Review the chart and which angels respond to what requests.

Have your child read a slip and put it in the correct bag. Each question relates to one of the areas of life the angels will help us with.
